

The time has come...

- ...to **TAKE A STAND** against anything that takes away from the fun of being a mom.
- ...to realize that you can give your family premium products without paying the high prices.
- ...to demand more and pay less.
- ...to raise your voice and say:

- **YES**, I deserve a diaper that provides ultra leak protection so I shouldn't have to change the crib sheets every morning.
- **NO**, I shouldn't have to "pay up" for that! (After all, isn't that what a diaper is supposed to do?)
- **YES**, I believe time spent playing on the floor is far more rewarding than time spent cleaning the floors.
- **NO**, I don't have time for the gym. The park is my fitness center—chasing my kids is better exercise than a treadmill!
- **YES**, I will put off doing the dishes to read *Goodnight Moon* with my kids for the 100th time (this week).
- **NO**, I'm not ashamed to know every nursery rhyme. And, guess what? I sing them loud and proud.
- **YES**, I will spend money on things that matter.
- **NO**, I will not spend too much on pricey diapers.
- **YES**, I will spread the word to choose Luvs®!

Say **YES** to being a Luvs Mom Ambassador... and to ultra leak protection.

Say **NO** to pricey diapers.
